

The Hypnosis Network

Hypnosis has been proven effective at building confidence, changing habits, and enhancing performance. That makes it a natural complement to the coaching process. Hypnosis Network is a reputable source for solid, ethical, and effective audio hypnosis programs. Many of their offerings address common challenges clients bring to coaching.

Productivity Engineering by Neil Fiore Ph.D. is a four-CD set that focuses on goal setting, optimal performance, and ending the habit of procrastination. *Overcoming Performance Anxiety* by Shirley McNeal Ph.D. is a one-CD set that's perfect for clients stepping into public speaking or performance for the first time. It addresses stage fright and effective public speaking. The third selection is called *Enjoying Weight Loss* by Roberta Temes, Ph.D. This four-CD set offers suggestions around eating habits and exercise.

No matter what your niche, you will find a title that will be perfect for your clients and they also have an affiliate program.

I Am Divine Cards

If you are looking to add a spiritual dimension to your coaching or your group work—check out *I am Divine* cards!

Original art, the power of “I Am” statements, and a belief in the natural divinity of all things make up the essence of this simple and beautiful deck

of cards by Barbara Burke. Feel the power of “I am divine understanding” or “I am divine gratitude.” In Barbara’s words “I Am” is a declaration of your creative energy.

Whether you draw a card in response to a question or for general guidance, you are inviting “the Divine” to light the way. What a powerful way to set an intention for your day. Included with the deck is a 96-page booklet with beautiful meditations to deepen your understanding.

Isle of View Insight Cards

Russell McDougal, creator of *Isle of View*, loves acronyms. If you meet him he will create one on the spot for your name. His real passion however is the transformation and evolution of human consciousness. *Isle of View* is a fun, enchanting, blend of meaningful acronyms and inspiration. It is designed to awaken hope, possibility, and to shift your worldview towards abundance and harmony. The accompanying booklet offers a meditation for each card offering vision, insight, and an invitation to co-create your world. It's a wonderful deck for accessing intuitive guidance and starting your day with an open heart!
